

Pope John '83

*. . . I shall be telling this with a
sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.*

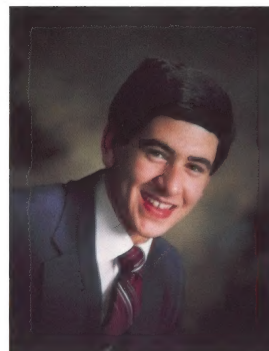

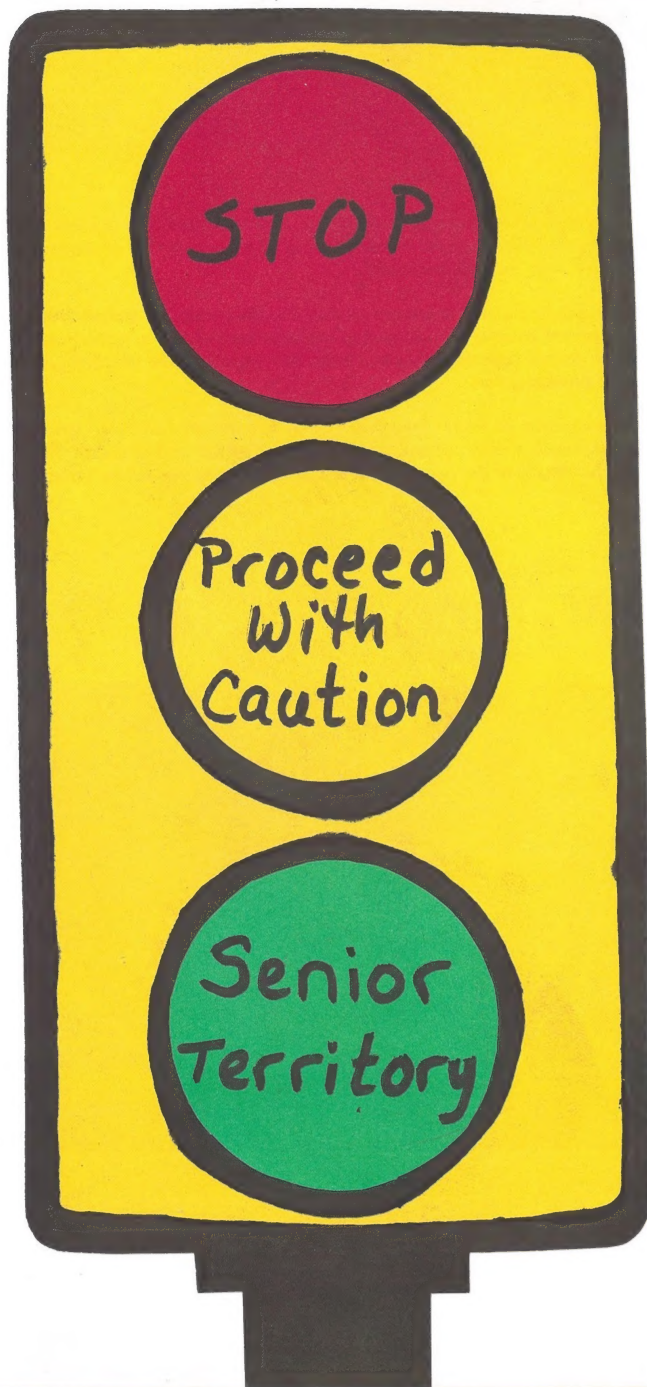

Robert Frost

Total devotion to one's occupation is a true rarity today. Few individuals are capable of devoting all their time and energies to their professions; still fewer of these are teachers. We at Pope John are fortunate enough to be acquainted with such an individual.

She is one who is not only a superior instructor inside the classroom but outside of it as well. She has continually played important roles in the sponsoring and administering of extracurricular activities for the students of Pope John: proms, semi-formals, class trips, and especially the yearbook, which would not be possible without her total dedication.

We the 1983 graduating class of Pope John XXIII High School have thereby chosen to dedicate this yearbook to Nancy Whalen as a token of our appreciation for all her endeavors, in the hope that she will continue to work for the benefit of the present and future students at our school for many years to come.

We, the graduating class of 1983, would like to express here our gratitude to a dedicated member of the Pope John community. For four years she has shared our joys as well as our sorrows, our victories along with our defeats. Her love and respect have guided us through our academic endeavors, have helped form a foundation for our future. It has been a special privilege for us to have attended a school which prides itself on community spirit and personal growth. We feel Sister Annata best exemplifies these qualities which we strive for continually. Our appreciation cannot be expressed in these mere words.

Lisa, in ACTION!!

The Volleyball Squad was led by captains Lisa Sherman and Kathy McAdam. The team's record was 8-6 and was the best since 1977. They showed much enthusiasm and real P.J. spirit! The highlight of the season was Tricia Bellofato's All Star Award.

Yaaaaaaaah!

CHEERLEADING

Alright, alright, alright, S , S , .

Once Upon A Time . . .

Our year as Juniors was a busy one. But everybody had a good time! We practiced and prepared to place 1st in our competition. This year Football & Basketball cheering was terrific! "What time is it now girls?" It's competition time. With dedication and pride on our side, we hope victory shall endure. But, Win, lose, or draw, our verdict is in: the Pope John Tigers are super, spectacular!! Case Closed.

"Look, a couple of mountain men."

Lights, camera, action, I am

Although this year's season was not a successful one for the team, it was a success for Dan Fitzpatrick who set the new Pope John scoring record. We congratulate you, Dan.

Pope John basketball is a sport for a person who has gained self-confidence and poise through training and practice. The girls had a hard and tough season. They faced some strong teams. P.J. played with a great deal of energy, ambition, confidence, and the desire to win. Their record was 7-7, a strong 4th place.

Team members: Captains: Liz Agnes and Nora Hartigan, Francie Dolan, Susan Palliadinio, Amy Monagle, Rachel Shaw, Michelle Doucet, Joyce Julian, Kelly Ridge, and Shelia Molea. Scorers: Rachel Sharrio and Eileen McHugh Coaches: Sr. Nancy Brennan, Susan Ferris, and Sr. Cathy Mozzicato

This year the Pope John spirit was with our Tigers on the ice. The Hockey team improved their record and consistently played a fine game of hockey. The team welcomed the strong, new coaching of Mr. Ray Pavone and Mr. Rich Bell. Other strong points included goaltending by Ricky Morrissey and scoring led by Ron Morrissey, Lee Anderson and John Mullins.

Ron puts Savio in its place!

May I have this dance?

Talk about going out on a limb for your teammates!

This supplement is dedicated to the memory of Sister Myrna Hart. Sister Myrna was one of the "originals" of Pope John, in many ways. She was a Math teacher here from the beginning in 1966 . . . and a most respected and beloved one. She moderated the Girls' Basketball Team for many years . . . sports were her joy and spirit was her forte. She organized and executed the yearly "Ad Book" . . . and reaped great success while shunning deserved praise.

God took her swiftly, which was, we guess, better for her but oh, far too quickly for those of us who will miss her.

Girls' Softball Team — Senior Members: Liz Agnes, Lisa Sherman, and Joyce Julian.

"You gotta have heart!"

The Girls' Softball Team, under the strong coaching of Sr. Nancy Brennan, had an excellent season. Tri-captains Liz Agnes (All-Scholastic All-Star), Lisa Sherman, and Joyce Julian lead the team with dedication and enthusiasm to capture an impressive record. The CYO Championship versus Fenwick was a tough loss at 2-0. Their fine season culminated in a State Championship bid. Congratulations to one of our most successful teams ever.

What a "retard"!

Bob Conrad (what was his name???) had a difficult choice. Would it be #1, Skeeva Beltrami, #2, Val E. Gurl or #3, Silky Foxworth? It was a "Dating Game" never to be forgotten.

Senior Show

Carla choreographed the "Bombs" to Marvin Gaye's "Sexual Healing". The same crew, plus some, also performed in "Private Eyes".

Rich, Joe, Bob, Steve and Co. played 'Jumpin' Jack Flash and Should I Stay or Should I Go? They were EXCELLENT. As a short subject, the Munchkins were adorable. Have a lollipop, kid.

Denise and Dave ad-libbed their way through some of the slower moments. They were entertaining and elegant emcees!

One half of our genuinely talented singing duo . . . Miss Diane Maresco. She deserved her ovations. (So did Joan Keane, but we don't have any pix!)

Despite a few technical difficulties, the Go-Gos finally got on-on.

Senior Show

Our Senior Show was announced in March, and the response was enthusiastic. The original cast consisted of 98% of the class! By the time "rehearsals" started, though, the enthusiasm was still high, but the numbers had halved themselves. Acts practiced and disbanded . . . new ideas were constantly presenting themselves. Finally, costumes were bought (or unearthed), a program was decided upon, and the show was a go! Our night-time audience was treated to a truly entertaining show. The audio-visual crew, particularly Warren Hart, deserve so much credit . . . thank you! The film that was featured, an animation of "The Wall", was a terrific fledgling effort by Warren, John DiPiano (who also provided these pictures), Frank, Joe, and Jerry. Mrs. Whalen prayed, and rooted from the sidelines, and was our ever faithful "director". Thanks, Mrs. W.!

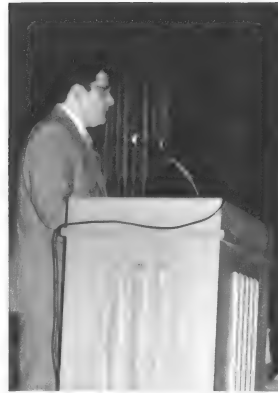

How funky are our roosters?? Take a gander!! These gorgeous, zaftig hunks of humanity stole the show!!

Eileen and her stray cats were wonderful! Maria, Patty, Angela, Susan gave us all a "paws" that refreshed!
